This compliance statement applies to Telenor Satellite Services, Inc., Marlink, Inc. and GMPCS Personal Communications, Inc. (collectively referred to herein as the "Company")

The Company's operating procedures ensure compliance with the Communications Act of 1934 (as amended) and FCC Rules regarding the use of CPNI. Our Company policy clearly states that the use, disclosure of, or permitting access to our customers' CPNI is strictly prohibited absent the requisite customer approval, except as required by law, or under the exceptions set forth at 47 U.S.C. § 222 and 47 C.F.R. §§ 64.2001 through 64.2009.

Definition of CPNI

Our Company policy defines CPNI as follows:

"CPNI is generally defined as any information about a customer that a communications carrier receives by virtue of its provision of telecommunications service to the customer. It includes not only subscriber information provided by the customer, but also billing records, call history, patterns of use, and other types of information that are derived from the customer's use of the carrier's services."

Restrictions on the Use of CPNI and Permissible Uses

As stated above, the Company's use of CPNI is restricted, as required by statute and the FCC's Rules. Employee access to CPNI is limited, and employees are instructed that the use or disclosure of CPNI to individuals inside or outside of the company is strictly prohibited except as required by law (*e.g.* a lawful law enforcement subpoena) or as provided in exceptions set forth at 47 U.S.C. § 222 or 47 C.F.R. § 2005 (*e.g.* for billing purposes, to provide in-bound services to the customer or to protect the rights or property of the Company).

CPNI Notifications

Use of CPNI for marketing purposes by the Company is limited to use which does not require opt-in approval. Opt-out notifications are provided to customers as required by the FCC's Rules. The Company does not provide CPNI information to any third party beyond the exceptions set forth at 47 U.S.C. § 222 (d).

CPNI Compliance Review

The Company's legal department reviews uses of CPNI and ensures compliance with the Communications Act of 1934 and the FCC's Rules regarding CPNI. Employees are advised to direct any questions regarding the use of CPNI to the legal department.

Disciplinary Procedures

The Company has informed employees that it considers compliance with the Communications Act of 1934 and the FCC's Rules regarding the use, disclosure, and access to CPNI to be of utmost importance. Employees have been advised that violations of the Company's CPNI policy will lead to strong disciplinary action.
